Academic Courses

GS 120 PATHWAY LIFE SKILLS 3 CREDITS

GS 120 teaches basic life skills that can lead to success in both personal life and academic studies. The three main areas of study are: learning to learn, self-sufficiency, and disciple leadership. The topics studied include study skills, career and academic planning, provident living, budgeting, goal-setting, time management, learning to lead by teaching others, and blessing others with what is learned.

ENG 106 BASIC WRITING 3 CREDITS

ENG 106 teaches basic writing conventions. Topics in this course include: understanding the writing process; writing effective sentences, paragraphs, and short essays; patterns of organization; rhetorical modes and purposes; audience analysis; the composing process; and editing.

MATH 100G PERSONAL FINANCE 3 CREDITS

MATH 100G is designed to help students recap, learn, and retain the fundamentals of basic mathematics and algebra. Students will gain competency in entry-level college math skills; use Excel spreadsheet software to perform mathematical and financial computations; apply math skills to financial decisions such as loan payments, savings, and budgeting; and discuss provident living topics (e.g., self-reliance, stewardship, and personal finance.

Religion Courses

FDREL 333 TEACHINGS OF THE LIVING PROPHETS 2 CREDITS

FDREL 133 is designed to strengthen testimony of living prophets and their teachings. It discusses the need for living prophets, the role of the President of the Church, the divine order of succession in the Presidency, the Quorum of the First Presidency, the Quorum of the Twelve Apostles, and the importance of general conferences.

FDREL 121 BOOK OF MORMON 1 2 CREDITS

FDREL Book of Mormon courses are taught online through BYU-Idaho. FDREL 121 examines 1 Nephi through Alma 29. The teachings of the prophets – including Alma, Nephi, Jacob, Enos, and Mosiah – will be studied. Doctrinal topics covered in this course include faith, repentance, the Atonement, the war against Satan, the purpose of life, and the “Doctrine of Christ” found in the scriptures.

FDREL 122 BOOK OF MORMON 2 2 CREDITS

FDREL Book of Mormon courses are taught online through BYU-Idaho. FDREL 122 examines Alma 30 through Moroni 10. The teachings of the prophets – including Alma, Helaman, Mormon, Ether, Moroni, – will be studied. Doctrinal topics covered in this course include faith, repentance, the Atonement, the war against Satan, the purpose of life, and the “Doctrine of Christ” found in the scriptures.

INSTITUTE BOOK OF MORMON 2 CREDITS, TRANSFERRABLE TO BYU-IDAHO

Institute Book of Mormon is taught in two sections. The first course covers 1 Nephi through Alma 16, while the second course covers Alma 17 through Moroni 10. Emphasis is given to doctrines taught and the messages therein. These courses may be taken in any order.
